

**SAFETY FIRST**

## **safety solution consultants, Inc.**

We offer part and full-time safety resources, to assist your organization with injury and accident prevention. For more than 20 years, our services have resulted in the following:

- **Reduce your internal overhead for safety without sacrificing the program quality**
- **Change employee mindset from reactive to proactive**
- **Simplified health and safety program / process**
- **Reduced potential for costly lawsuits**
- **Improved supervisory communication**
- **Reduced injury claims**
- **Reduced downtime due to serious accidents**
- **Limited risk of an OSHA citation**
