

SPEAK UP

& REINFORCE YOUR SAFETY CULTURE.

Milton Jacob's safety presentations will motivate and improve the safety mindset of your employees. His holistic approach creates a personal home-to-work connection, resulting in a safer environment with improved quality, production and profits.

Milt has been helping clients improve their safety performance for over twenty years. His most popular presentations include:

- Have You Lost Your Safety Mojo?
- Mindful Safety — Home Meets Work®
- Accidents Happen ... To Be Preventable®
- Safety With A SmileSM

These presentations add value to safety meetings, stand-downs, banquets and conferences. Contact Milt today and he will tailor a presentation to address your company's primary safety issues.
