---

Position:       **ENTRY-LEVEL Occupational Health & Safety Specialist –  
General Industry**

Location:       Boston MA and surrounding areas

Safety Solution Consultants, Inc. (SSCI) is a qualified safety and accident prevention firm providing services in CT, MA, NY, RI and NH. SSCI has been providing high quality safety for the past 24 years as a certified Minority Business Enterprise (MBE) and a DOT Disadvantaged Business Enterprise (DBE).

SSCI is looking to hire an ENTRY-LEVEL Occupational Health & Safety Specialist for its general industry clients. This is a perfect opportunity for recent college graduates to get experience. Veterans, women and minorities are encouraged to apply.

Responsibilities:

- Toolbox Talks
- Monitor safety on construction projects
- Report writing & forms completion

Requirements:

- Bachelor Degree in Safety, Construction, Industrial Hygiene or Environmental Science
- Experience 0 – 1.5 years
- Willing to travel throughout Boston area
- Own vehicle
- Strong communication and writing skills
- Must be able to pass a background check and/ or drug test
- Safety certifications a plus
